Rumbury wanted to
be as lunch crew

RFR first think
no bombs
Hypo: UFR: no attack
unless AA fires
it (\Leftrightarrow 50 subs :)

John JFR said!
(Eckern didn't ^{get} know
about SU Tupolev -
missed
at most, take down
1 ship (wantonly))

JFR: "Any have to
hit AA + SAMs
en if + track; but
misses at rise

In C-II, JFR think if
(cons.) attack was
a bluff

[We will be wary
about tank numbers, if
bluff? "if & formal attack"]
